Punctuality Independence

ABOUT ME

I grew up in Taiwan. I moved to New Zealand for high school, then went to San Francisco to study graphic design at CCA. After Graduation, I worked at 8more as an advertising designer about 2 years. I also worked as a product manager. I am not only familiar with the design field, but also with digital marketing. Currently, I am working as a freelancer in Taiwan, based on packaging, advertising, and layout design.
